

GENERATIONS.

Our Mission....

To help generations discover and live out their God-Given purpose. This includes:

- A generous debt-free lifestyle of living and giving.
- An ongoing, active involvement in reaching people.
- Taking care of the family.

At Central Assembly we want to strengthen our community by improving relationships and having a positive impact on the family nearby. You're invited to join us as we continue to invest in our local area.

You're Invited To Visit A Church For All Generations
